

# Sport for Social Impact

 **8 July 2026**

 **Strassenkicker Base in Cologne, Germany**

**Join us at our Boost Sport for Social Impact Symposium on 8 July 2026 at the iconic Strassenkicker Base in Cologne, Germany.**

Spend with us an inspiring afternoon to learn about our mentoring approach to boost social impact in and through sport, and explore how we exploit sport for development (S4D) approaches to empower young leaders.

Together with experienced and young changemakers, we explore topics such as strategy and vision building, governance and sustainability, community building and cross sector collaboration, plus empowerment through mentoring.

Our programme combines practice insights and panel discussions, plus insights into practical sport for development activities around our Boost Accelerator and Mentoring Programme.
